Thank you for purchasing a Michigan hunting license. Your hunting license dollars help restore and improve habitats for wildlife species, advance research on wildlife and wildlife-borne diseases, foster programs that help ensure access for public hunting, support hunter safety education and much more. We encourage you to keep hunting and to share your experiences with others. In doing so, you can do your part to keep our state's hunting heritage alive for future generations.

The Federal Aid in Wildlife Restoration Act places an excise tax on firearms, handguns, ammunition and archery equipment. The U.S. Fish and Wildlife Service apportions these funds to state wildlife agencies to be used for wildlife management, research, habitat acquisition, game area and shooting range development and hunter education. Since its inception in 1937, Michigan's share of the Wildlife Restoration funds has reached almost \$150 million.

The Michigan Department of Natural Resources provides equal opportunities for employment and access to Michigan's natural resources. Both state and federal laws prohibit discrimination on the basis of race, color, national origin, religion, disability, age, sex, height, weight or marital status under the Civil Rights Acts of 1964 as amended (MI PA 453 and MI PA 220, Title V of the Rehabilitation Act of 1973 as amended, and the Americans with Disabilities Act). MICHIGAN WILD TURKEY HUNTING GUIDE

2008 SPRING SEASON

Application Period January 1-February 1, 2008

Apply online at www.michigan.gov/dnr

Great Lakes, Great Times, Great Outdoors

IMPORTANT REMINDERS

- Some hunt units have been expanded or eliminated
- No more than two applicants may apply as a party
- It is unlawful to obtain or purchase more than one spring turkey hunting license
- Report your hunting activity online

Spring Turkey Hunting Season

Hunters may apply for a limited quota license or purchase a Guaranteed Hunt Period (Hunt No. 234) license between January 1 and February 1 to participate in the spring turkey hunting season. Hunters who purchase a Guaranteed Hunt Period (Hunt No. 234) license during the application period will not be charged the \$4 application fee. Individuals who apply for the Guaranteed Hunt Period (Hunt No. 234) as their first choice will automatically be awarded that hunt. All participants may purchase one license. Unsuccessful applicants will be eligible to purchase a leftover license or a Guaranteed Hunt Period (Hunt No. 234) license.

**Drawing results will be posted March 3
at www.michigan.gov/dnrdrawings.
For application assistance, call 517-373-1263.**

Leftover Licenses

If any limited quota licenses remain after the drawing, unsuccessful applicants may purchase one leftover license on a first-come, first-served basis for a one-week period beginning March 10 at 10 a.m. EDT. Any licenses that remain as of March 17 at 10 a.m. EDT also will be available for purchase over the counter by individuals who did not apply for a spring turkey license. These licenses will be sold until the quota is met. It is unlawful to purchase more than one spring turkey hunting license.

NOTE: The Guaranteed Hunt Period is not a limited-quota hunt, and is NOT available as a leftover license.

Apprentice Hunting License

A person who does not have a hunter safety certificate may purchase an apprentice hunting license. Apprentice hunters may purchase this license for two license years before they must successfully complete a hunter safety course. The apprentice license is available to residents and nonresidents.

Apprentice hunters under age 17, when afield, must be accompanied by a parent, guardian or someone 21 or older designated by their parent or guardian. This individual must possess a valid, regular hunting license to hunt the same game as the apprentice hunter. "Accompanied by" requires the adult to be able to come to the immediate aid of the other person and staying within a distance from the other person that permits uninterrupted, unaided visual and verbal contact. Apprentice hunters 17 and older, when afield, must be accompanied by someone 21 or older, who possesses a valid, regular hunting license to hunt the same game as the apprentice hunter. For hunting wild turkey, mentors of the apprentice need a valid turkey hunting license, but they do not need a permit for same hunt/period as the apprentice. **A person may accompany no more than two apprentice hunters while hunting.**

Application Information

Locations

- You may apply:
 - At any authorized license agent
 - At DNR Operations Service Centers
 - Online at www.michigan.gov/dnr

Spring Turkey Hunting Hours

Below is a map of the 2008 hunting hour zones. Actual legal hunting hours (one-half hour before sunrise to one-half hour before sunset) for Zone A are printed below. To determine the opening (a.m.) or closing (p.m.) time in another zone, add the minutes shown on the map for the zone to the time from the Zone A Hunting Hours Table. The hunting hour listed in the table reflects Eastern Standard Time adjusted for daylight-saving time where appropriate. If you are hunting in **Gogebic, Iron, Dickinson or Menominee** counties (Central Standard Time), you must make an additional adjustment to the printed time by subtracting one hour.

Hunting Methods—Hunters may use a bow and arrow, a firearm that fires a fixed shotgun shell, or a muzzleloading shotgun for turkey hunting. It is illegal to use or carry afield any other firearm. The prohibition on carrying any other type of firearm does not apply to pistols carried under authority of a concealed pistol license or properly carried under authority of a specific exception from the requirement of a concealed pistol license. It is unlawful to use or carry any ammunition except shotgun shells loaded with No. 4 or smaller shot, or to use or carry loose shot larger than No. 4 for muzzleloading hunting. You may hunt turkeys from an elevated stand or tree using only a bow and arrow. The use of dogs or the use or possession of electronic devices that imitate wild turkey calls is illegal.

Authority to Hunt—A person shall not hunt wild turkeys in any area or during any hunt period other than the area and hunt period designated on their license.

Validating Kills—Immediately upon killing a turkey, a person shall validate their license by notching out the appropriate information as instructed on the license and securely attaching the license around a leg of the bird. A person shall not have in their possession or transport a turkey unless the validated license is attached to a leg of the bird.

Baiting Prohibited—It is unlawful to make use of bait to aid in the taking of a wild turkey. For the purpose of this regulation, "bait" means a substance composed of grain, fruit, vegetables or other food placed to lure or entice wild turkeys. This does not apply to standing farm crops (normal agricultural practices) or other natural growing grains, fruits or vegetables.

License—The license is not valid unless signed by the successful applicant. Licenses cannot be altered or transferred. It is unlawful to obtain or purchase more than one spring turkey hunting license. When hunting, you must carry your license and the identification used to purchase that license and exhibit both upon demand of a Michigan Conservation Officer, a Tribal Conservation Officer or any law

In partnership with the DNR and NWTf, the Fort Custer Training Center near Battle Creek offers special turkey hunting opportunities for properly licensed youth in late April (Hunt No. 301). A mentor is available for each participant, and the program includes a workshop the day before the hunt. Special hunting opportunities also are available for properly licensed hunters with a disability during May (Hunt No. 234). For more information, please call (269)-731-6506 or e-mail: jonathan.edgerly@us.army.mil.

enforcement officer.

Decoys—Mechanical, electronic or live decoys are prohibited. Mechanical decoy means any device that by design or construction uses motion as a visual stimulus to attract a wild turkey, except a wind sock or similar decoy body anchored at a fixed point into the ground and whose only motion is derived exclusively by power of the natural wind.

Recreational Trespass

This law requires permission from the landowner or lease holder before you may hunt on any farmlands or connected woodlots or on any fenced or posted private lands and prohibits discharge of a firearm within the right-of-way of public roads adjacent to these lands without permission of the landowner.

Wild Turkey Cooperator Patch

Michigan's wild turkey patch program is coordinated by the Michigan chapter of the National Wild Turkey Federation, in partnership with the DNR. Young hunters, ages 10-17, who have a valid wild turkey hunting license may receive a free patch. To receive a patch, please send name and complete address, along with a legible copy of the youth's valid wild turkey hunting license, to National Wild Turkey Federation, Wild Turkey Patch Program, P.O. Box 8, Orleans, MI 48865.

Adult hunters, collectors and other interested individuals may purchase the patch for \$5, including postage and handling. Only the current year patch is available for purchase. You do not have to harvest a turkey to purchase a patch. Send orders to the address above, and please make your check or money order payable to the National Wild Turkey Federation.

The NWTf is a not-for-profit organization dedicated to the conservation of the American wild turkey and the preservation of the hunting tradition. Proceeds from patch sales are used to fund wild turkey-related projects in Michigan. Each year the NWTf, working cooperatively with the DNR, contributes more than \$300,000 to wild turkey and hunter-heritage programs in Michigan.
